

Team: "Fauna" Working Group

Name Boris P. Nikolov
Position in the project: Key Expert "Birds", Coordinator of "Fauna" Working Group
Education: MSc in Zoology of Vertebrates and Anthropology, Sofia University "St. Kliment Ohridski"
PhD in Zoology, Institute of Zoology, Bulgarian Academy of Sciences, Sofia
Affiliation: Head of Bulgarian Ornithological Centre, Institute of Zoology, Bulgarian Academy of Sciences; 1000 Sofia, Bulgaria
Current position: Research Associate (PhD)
Fields of interest: Breeding biology, behaviour, migration and conservation of birds
E-mail: lanius.bg@gmail.com
Phone: +359886303052

Name Petar Shurulinkov
Position in the project: Expert "Birds"
Education: MSc in Zoology of Vertebrates and Anthropology, Sofia University "St. Kliment Ohridski"
PhD in Institute of Zoology, Bulgarian Academy of Sciences, Sofia
Affiliation: Institute of Zoology, Bulgarian Academy of Sciences; 1000 Sofia, Bulgaria
Current position: Senior Research Associate
Fields of interest: Protozoology, bird parasites, faunistics and conservation of birds
E-mail: shurulinkov@mail.bg
Phone: +359885455536

Name Vassil Popov
Position in the project: Expert "Micromammalia", "Coleoptera (Carabidae)" and "Bats"
Education: MSc in Ecology, Sofia University "St. Kliment Ohridski"
PhD in Zoology, Institute of Zoology, Sofia
Affiliation: Institute of Zoology, Bulgarian Academy of Sciences; 1000 Sofia, Bulgaria
Current position: Senior Research Associate
Fields of interest: Statistical methods in ecology, models, community ecology, GIS, conservation biogeography, mammals, insects (Carabidae)
E-mail: popov@zoology.bas.bg
Phone: +359889591487

Name Borislav Guéorguiev
Position in the project: Expert "Coleoptera" (beetles) biodiversity
Education: MSc in Zoology, Sofia University "St. Kliment Ohridski"
PhD in Zoology, National Museum of Natural History, Sofia
Affiliation: Department of Invertebrates, National Museum of Natural History; 1000 Sofia, Bulgaria
Current position: Senior Research Associate
Fields of interest: Faunistics and Taxonomy of Coleoptera
Assessment of species, habitats and sites of conservation importance
E-mail: bobivg@yahoo.com
Phone: +359886129564

Name Christo Deltshev
Position in the project: Expert invertebrates diversity
Education: MSc in Biology (Invertebrates)
PhD in Cavernicolous invertebrates
Affiliation: Department of Taxonomy, Faunistic and Zoogeography, Institute of Zoology; 1000 Sofia, Bulgaria
Current position: Senior Research Associate
Fields of interest: Zoology, arachnology, biospeleology, taxonomy, spider fauna, ecology, zoogeography, biodiversity, management plans of national and natural parks, Bulgaria, Balkan Peninsula
E-mail: deltshev@gmail.com
Phone: +359886816941

Name Stoyan Beshkov
Position in the project: Expert "Lepidoptera"
Education: MSc in Ecology and Protection of Environment
PhD in Entomology
Affiliation: Head of Invertebrates Department, National Museum of Natural History; 1000 Sofia, Bulgaria
Current position: Senior Research Associate
Fields of interest: Lepidoptera: Macrolepidoptera
E-mail: beshkov@nmnhs.com
Phone: +359896869601

Name Nikolay Simov
Position in the project: Expert “Bats” and “True Bugs”
Education: MSc in Biology
Affiliation: National Museum of Natural History; 1000 Sofia, Bulgaria
Current position: Entomologist
Fields of interest: Taxonomy and zoogeography of the true bugs, speleology, bats faunistics
E-mail: myrmedobia@gmail.com
Phone: +35929875072

Name Iva P. Hristova
Position in the project: Expert “Birds”, Video (cameramen & montage) expert
Education: MSc in Ecology and Environmental Conservation, Sofia University “St. Kliment Ohridski”
Affiliation: Climatech Engineering Ltd.
Current position: Ecologist
Fields of interest: Breeding biology, behaviour and conservation of birds, wildlife videography
E-mail: fotobiota@abv.bg
Phone: +359887206278

Team: "Flora" Working Group

Name Rosen T. Tsonev
Position in the project: Key Expert "Flora", Coordinator of "Flora" Working Group
Education: MSc in Ecology. Sofia University "St. Kliment Ohridski"
PhD in Botany, Sofia University "St. Kliment Ohridski"
Affiliation: Faculty of Biology, Sofia University "St. Kliment Ohridski"
Sofia 1164, Dragan Tzankov Blvd 8
Current position: Associate Professor (PhD)
Fields of interest: Botany, Phyto-ecology
E-mail: rossentzonev@abv.bg
Phone: +359 888332837

Name Mariyana I. Lyubenova
Position in the project: Expert "Flora"
Education: MSc in Ecology. Sofia University "St. Kliment Ohridski"
PhD in Ecology and Environmental protection,
Sofia University "St. Kliment Ohridski"
Affiliation: Faculty of Biology, Sofia University "St. Kliment Ohridski"
Sofia 1164, Dragan Tzankov Blvd 8
Current position: Associate Professor (PhD)
Fields of interest: Botany, ecosystem modelling
E-mail: ryann@abv.bg
Phone: +359 898791436

Name Todor Karakiev
Position in the project: Expert "Flora"
Education: MSc in Ecology. Sofia University "St. Kliment Ohridski"
Affiliation: Balkani Wildlife Society, 67 Tsanko Tserkovski str,
entr. 3, floor 2, apt. 3, Sofia 1421, Bulgaria
Fields of interest: Plant communities
E-mail: karakiev@abv.bg
Phone: +359 883352044
