

TEAM: FOREST PHYTOPATHOLOGY AND ENTOMOLOGY

Name	Margarita Georgieva
Position in the project:	Key expert of forest pathology and entomology
Education:	MSc in Forestry PHD in Forest protection
Affiliation:	Forest Research Institute, Sofia Department of Forest Entomology and Phytopathology
Current position:	Researcher
Fields of interest:	Forest pathology, monitoring of forest ecosystems
E-mail:	margaritageorgiev@gmail.com
Phone:	+359 878230174

Name	Boyan Rossnev
Position in the project:	Expert forest pathology
Education:	MSc in Forestry PHD in Forest tree breeding
Affiliation:	Forest Research Institute, Sofia Department of Forest Entomology and Phytopathology
Current position:	Professor
Fields of interest:	Forest pathology, forest tree breeding, ecology
E-mail:	forestin@bas.bg
Phone:	+359 8888960107

Name	Plamen Mirchev
Position in the project:	Expert forest entomology
Education:	MSc in Forestry PHD in Forest protection
Affiliation:	Forest Research Institute, Sofia Department of Forest Entomology and Phytopathology
Current position:	Professor
Fields of interest:	Forest entomology, ecology, biological control
E-mail:	plmirchev@hotmail.com
Phone:	+359 889166722

Name Georgi Georgiev
Position in the project: Expert forest entomology
Education: MSc in Forestry
PHD in Forest protection
Affiliation: Forest Research Institute, Sofia
Department of Forest Entomology and Phytopathology
Current position: Professor
Fields of interest: Forest protection, ecology, insect pest, biological control
E-mail: ggeorg@bas.bg
Phone: +359 886023529

Name Petar Petkov
Position in the project: Expert forest pathology
Education: MSc in Forestry
PHD in Forest protection
Affiliation: Forest Research Institute, Sofia
Department of Forest Entomology and Phytopathology
Current position: Senior Research Associate
Fields of interest: Forest pathology, monitoring of forest ecosystems
E-mail: ppetkov_fri@abv.bg
